

## A Celebration of Haig's Life

*Haig was best described as a Diagnoser, Fixer, Handyman, and Gifted Craftsman. He enjoyed challenges and was hard-wired for high quality work in all he achieved. Please join us to honor these gifts and the man who loved family and life.*

*In tribute to Haig amid our sadness we can share in the storytelling of life's memories and moments with him.*

When: Sunday, August 14, 2016

Where: the East Mini-Shelter (just south of the Lions Pavilion) at Upper Lake Park in Port Washington. An appropriate place, since Haig and Lucille always lived near the lake.

Time: gather at noon, eat at 1:00

Please bring: a dish to pass and your own favorite picnic drink. Haig enjoyed Armenian cuisine – bring your favorite dish or favorite ethnic dish.

Haig's family will provide plates, utensils, etc., meat (brats and burgers).

Dress accordingly – the park is on Lake Michigan (it could be chilly or hot).

We would love for you to join us! If you can make it, drop us line. It is not necessary, but is appreciated for planning purposes. Please call Buzz, Rick or Dee.

In Port Washington – take State Hwy 32 (N Franklin St) north, turn east on E Jackson St, north on North Lake St to Lakeview Drive. Lakeview Drive is a one-way loop. On the backside of the loop, park west of the playground. The Mini-Shelter is just south of the Lion's Pavilion.
