POOLE FUNERAL HOME/Crematory, Port Washington, Wisconsin closing December 1, 2023 after 110 years of service and three generations.

To Port Washington and the communities of Ozaukee County and beyond, it is with great pride and sadness I announce this closing.

It has been amazing that my family has been privileged to be of service to the wonderful families of this area for this time – 110 years!

From my grandpa William from Cedarburg, educated in Chicago and opening his doors on Franklin Street in 1913, my grandma Mayme from the Van Ells local fishing family, my dad Erin following his father and my mom Marge joining them.

I appreciate everyone's support over the generations. We have certainly tried to give back through active community support.

I want to also express my gratitude to those who have helped us help others throughout. Service to others is a true gift.

The memories shared and tears shed will forever remain in my heart. Your heartfelt "thank you" and long standing stories have brought smiles and satisfaction for me to carry forward.

As I say "good-bye", I hope the spirit of the Poole family will remain. I feel this is the right time to see the world, family and friends.

If you have a planned or service contract with us, I will contact you by mail. Any questions can be directed to Patrick at 262/284-4431 or 110yrs@poolefh.com.

Yours truly,

Patrick T. Poole
